

Important notice regarding arrival and general parking information

Due to construction work, there will be significant traffic restrictions in the vicinity of our hotel **from 31 May 2026 until, provisionally, 31 August 2026**. Road closures and single-lane traffic management are expected to result in increased traffic volumes and longer waiting times.

As our hotel has **only 30 parking spaces available for 155 rooms**, we are unfortunately unable to offer a parking space to all guests. **It is not possible to reserve a parking space**. We recommend using Park-and-Ride car parks. Connections are provided via a rail replacement service.

Please check online before your journey for the best current travel options.

Navigation address:

Konrad-Zuse-Straße 2

18057 Rostock

If you still wish to drive directly to the hotel, please **use the EDEKA car park right next to our hotel for loading and unloading** (not open on Sundays and public holidays). You will find another car park for overnight stays approx. 500 m away at the “**Kabutzenhof**”. We recommend the EasyPark app for hassle-free payment of parking there. **(Closed from 31 July to 17 August 2026 due to the Hanse Sail)**

Please note that we are unable to reserve parking spaces in advance. You will be informed whether a parking space is available at check-in.

Check-in is available on the day of **arrival from 3 pm to 10.30 pm**. (Early check-in subject to availability: €9.99)

Check-out on the day of departure **is by 12 noon at the latest**. (Late check-out subject to availability: €9.99)

Thank you for your understanding. We wish you a safe journey and look forward to welcoming you!
